(15) As a restaurant owner, I want an interface for choosing goals.

in list [Sprint Backlog](#)

LABELS

Priority 1

D3

+

Description

Edit

Story point: 15

Acceptance Criteria:
Given a restaurant owner wants an interface for choosing goals,
when they click on the "Add Goal" button,
then they see a drop-down list of goals.

Given a restaurant owner wants an interface for choosing a goal from a drop-down list,
when they select a goal from the list,
then it will be added to their restaurant profile.
