LABELS

Priority 1 **Goals** **D3** +

☰ Description   Edit

Story point: 3

Acceptance Criteria:

Given Victor wants to clear the goals from his restaurant profile,
when he selects the "clear" option,
then the goals are removed from the database and his profile.

☑ Tasks   Delete

0% �_____

☐ (1) Use Python to clear goals from the restaurant profile. (TJ)

☐ (1) Unit Tests/Test Cases {AC}

☐ (1) Peer Review {TH}

(29) As a restaurant owner, I want an interface that allows me to add goals on my restaurant profile.

in list Current Work

LABELS

Interfaces **Priority 1** **Goals** **D3** +

Description Edit

Story point: 29

Acceptance Criteria:

Given a restaurant owner wants an interface for adding goals,
when they click on the "Select Goal" button,
then they see a drop-down list of a pre-made selection of goals.

Given a restaurant owner wants an interface for choosing goals from a pre-made selection of goals in a drop-down list,
when they select goals from the list and click the "Save" button,
then they will be added to their restaurant profile and it is reflected in the database.
